

# ANDANTE

## Value Chain and Participants

ANDANTE

### IC Design

- Neuromorphic designs
- AI/DL Fundamental
- ASIC Accelerator
- AI/DL Fundamental blocks
- ASICs: Neuromorphic accelerators (Artificial and Spiking Neural Networks)

life.augmented

THALES

### Platforms

Multi-usage Platforms for Data analysis at the EDGE

life.augmented

### Applications

Edge Demonstration Areas

- Digital Industry
- Digital Farming
- Transport and Smart Mobility
- Healthcare
- Digital life.

THALES

ALSEMAR

ECSEL Joint Undertaking

Electronic Components and Systems for European Leadership

This project has received funding from Electronic Components and Systems for European Leadership Joint Undertaking under grant agreement No 876925
